Imaginary Circumstances

19:04 min. (2010)

Director: Anthony Weeks

Within the "imaginary circumstances" of fictional Hollywood TV and film, the performance of disability on screen refers to social realities and lived experiences. Three actors with disabilities currently working in the Hollywood entertainment industry address the authentic representation of disability in the media as well as the ongoing struggle for access and inclusion.

Indelible mark

24 min. (2010)

Director: David Alvarado

Damage to the human brain can reveal deep insights into questions about ourselves and our personal identity. Three survivors of acute trauma to the brain guide a journey of rehabilitation and self discovery.
